

KENNETH G. PROSKIE

PUBLICATIONS

Proskie, K. G., "Analysis of Injuries to a University Groundskeeping Crew," University of Michigan publication, Department of Industrial and Operations Engineering, Ann Arbor, MI 1976.

Proskie, K. G., "Examining the Health Aspects of Grain Dust," Dust Control For Grain Elevators, Chapter 16, p. 358-375, National Grain and Feed Association, Washington, D. C., 1981.

Proskie, K. G. and J. E. Mutchler, "Dry Cereal Grain," Industrial Hygiene Aspects of Plant Operations, Volume I: Process Flows, Chapter 26, MacMillan Publishing Company, New York, NY, 1982.

Mutchler, J. E. and K. G. Proskie, "Furfural," Industrial Hygiene Aspects of Plant Operations, Volume I: Process Flows, Chapter 32, MacMillan Publishing Company, New York, NY, 1982.

Mutchler, J. E. and K. G. Proskie, "Furfural Alcohol," Industrial Hygiene Aspects of Plant Operations, Volume I: Process Flows, Chapter 33, MacMillan Publishing Company, New York, NY, 1982.

Mutchler, J. E. and K. G. Proskie, "Plastics Processing Operations," Industrial Hygiene Aspects of Plant Operations, Volume II: Unit Operations and Product Fabrication, Chapter 16, MacMillan Publishing Company, New York, NY, 1984.

PRESENTATIONS

"How To Conduct a Self-Assessment of Your Health and Safety Program," Western New York Safety Conference, Buffalo, NY, 1983.

"Teamwork and Participation: Strategies For Improving Health and Safety Effectiveness," American Industrial Hygiene Conference, Philadelphia, PA, 1983.

"Pesticide Exposure Monitoring," Advanced Pest Control Seminar, sponsored by the American Institute of Baking, Manhattan, KS, April, 1987 and October, 1987.

"Using Aggregate Audiometric Data to Evaluate the Effectiveness of Hearing Conservation Programs," International Hearing Conservation Conference, Cincinnati, OH, 1990.

"How To Develop and Implement A Chemical Hygiene Plan," Laboratory Safety and Health Workshop, sponsored by the American Chemical Society, Pasadena, CA, 1990.

A Procedure for Using Audiometric Data to Evaluate the Effectiveness of Hearing Conservation Programs," American Industrial Hygiene Conference, Salt Lake City, UT, 1991.

"The OSHA Laboratory Standard: An Industrial / R& D Implementation Approach," instructor for Professional Development Course #7, Professional Conference on Industrial Hygiene (PCIH), Pittsburgh, PA, 1991.

"Using Audiometric Data to Improve the Effectiveness of Hearing Conservation Programs," American Society of Safety Engineers, Chicago IL, 1993.

COMMITTEE MEMBERSHIPS

Communication and Training Methods Committee, American Industrial Hygiene Association, 1994-1996.

Ergonomics Committee, American Industrial Hygiene Association, 1981-1984.

Health and Safety Committee, National Grain & Feed Association, 1980-1991.
